

**Infrastructure and General Government Appropriations Subcommittee  
2021 General Session Voting  
February 9, 2021**

The committee approved the intent language, budget adjustments and reallocations, and other items listed in items 1 through 4 below.

1. Intent language.

1a	<b>(CAP)</b> The Legislature intends that before commencing construction of a capital development project funded for an institution of higher education during the 2021 General Session, the Division of Facilities Construction and Management (DFCM) and the institution shall report to the Infrastructure and General Government Appropriations Subcommittee and the Higher Education Appropriations Subcommittee on the status and cost of the project, and that DFCM and the institution shall seek feedback from the committees before committing funds for demolition or construction. The legislature further intends that prior to committing funds for construction that DFCM, the institution, and the Board of Higher Education shall certify to the committees that the institution (1) has developed a plan that will utilize each classroom space in the building an average of 33.75 hours of instruction per week for spring and fall semesters with 66.7 percent seat occupancy, and will work to increase utilization of classroom space during the summer; and (2) has presented a plan to implement space utilization of non-classroom areas as per industry standards.
1b	<b>(CSRO)</b> Under the terms of Section 63J-1-603 of the Utah Code, the Legislature intends that \$30,000 of appropriations provided for the Career Service Review Office in Laws of Utah 2021, Chapter 9, Item 6, shall not lapse at the close of fiscal year 2021. The use of any nonlapsing funds is limited to grievance resolution.
1c	<b>(DEBT)</b> The Legislature intends that, if amounts appropriated from the Transportation Investment Fund of 2005 and the County of the First Class Highway Projects Fund to debt service exceed the amounts needed to cover payments on the debt, the Division of Finance transfer from these funds only the amounts needed for debt service.
1d	<b>(DOT)</b> The Legislature intends that the Department of Transportation calculate an hourly aircraft rental rate for each aircraft that would be needed to recover (1) the direct operating cost and (2) the sum of the acquisition price less the projected proceeds from the sale of the aircraft at the end of its service divided by the projected number of billed hours for the aircraft, and that the department report its findings to the Infrastructure and General Government Appropriations Subcommittee before October 1, 2021.
1e	<b>(DOT)</b> Notwithstanding intent language in H.B. 3, 2018 General Session, Item 133, the Legislature intends that the Seven County Infrastructure Coalition may use any amount remaining of the \$3,200,000 that was transferred in FY 2019 and FY 2020 to the coalition by the Department of Transportation to conduct an environmental impact study for the proposed the Eastern Utah Connector Highway to also be used for any improvements to or maintenance of any completed portions the highway.
